

# Children's Paper Poppy Project

**Objectives: Help children learn and remember those who have given their lives for our freedom.**

## What You Need:

- Construction paper (red and green)
- Safety scissors
- Glue

## What You Do:

1. Using the red construction paper, create four small hearts for each poppy.
2. Once the hearts are cut out, they can be arranged to create a poppy shape.
3. Cut a small circle out of the green construction paper.
4. Fasten the hearts and circle together with glue to create a poppy.
